

## THE RETAIL RISK INNOVATIVE IN-STORE SURVEILLANCE SOLUTION AWARD

This Award is for the supplier of in-store surveillance solutions that the judges feel deserves special recognition for their work over the previous year.

# THE RETAIL RISK INNOVATION IN PHYSICAL RISK MANAGEMENT AWARD

This Award recognises innovative solutions to physical risk management challenges faced either in-store or associated with an online business - such as fulfilment from store, or kerbside pick-up (excluding distribution centres and the supply chain, which are included in the *Innovation in Online Risk Management Award*).
